Nobles, Ladies and Supporters:

With Covid-19 being the main focus as of lately, many changes have been made within the ISIS Shrine jurisdiction. The health and welfare of our Nobility, their Ladies, and those who support us is of the utmost importance. Like all of you, we have been affected by the events, schools, cities and services that are necessarily 'shut down.' or 'postponed'. These shutdowns or postponements have affected many of our upcoming events through May 11, 2020. At the direction of the CDC and the Kansas Governor, Laura Kelly, the following events have been shut down or postponed:

March 21-ISIS Shrine Potentate Ball (Rescheduled for August 15-More information to follow)

March 27-TGIF (Canceled-No Plan to Reschedule)

April 10-Uniformed Units Potluck and Circus Meeting (Postponed-Change in date and information to be posted at a later date)

April 16-Block Party (Postponed-Change in date and information to be posted at a later date)

April 17-19-Salina Shrine Circus (Postponed-Change in date and information to be posted at a later date)

April 24-TGIF (Canceled-No Plan to Reschedule)

May 1-Spring Ceremonial Pre-Glow (Postponed-Change in date and information to be posted at a later date)

May 2-Spring Ceremonial (Postponed-Change in date and information to be posted at a later date)

May 9-Golf Tournament (Postponed-Change in date and information to be posted at a later date, if there is any)

Your continued dedication and support of the ISIS Shrine is extremely appreciated and humbling.

Without you, this amazing fraternally organization would struggle to be successful. Please understand that future guidance of events will be available via Facebook, our website, and will be sent via mass email. If you have any questions, please do not hesitate to reach out to any Divan member for guidance. As always, I remain

Fraternally Yours,

Darrell L. Ryan
