POTENTATES MESSAGE:

Greetings Nobles and Ladies,

To start, I would like to wish all of you and your families a very Merry Christmas. I want to thank everyone for your support and patience. It has been a very trying year with the Covid-19 pandemic. I know we have canceled many events this year. Although we had several new ideas, we did have a successful spaghetti feed. During these challenging times, we were able to bring in three new nobles in November. We pray things will start to turn around, starting in January. We need to get our Temple back on track and get all the Nobles and their Ladies back involved.

I hoped that in my final letter as your Potentate for 2020, I would be writing about all our success this year. Talking about the new events that had been a huge success and a circus that was a big hit. Instead, we were postponing and canceling events. We have not been able to get out into the public, where we need to be. Being out in public and being involved is how people learn about our philanthropy and what we do. I have deeply missed parading and seeing all the children laughing and pointing as we move through the streets. I know we have all continued doing what we can to get the word out about our hospitals and all the good things that are happening in them. Please continue with all the hard work you are doing.

I joined this wonderful Fraternity eighteen years ago, not understanding what it was truly all about. Lady Valerie and I quickly learned what Shriners was all about and got involved. We talked many times about when it is our time to be a part of the Divan, what we would like to see, and how we would go about it. After helping as aids for several other Potentates and First Ladies and seeing how things were done, we took the big step. We took on a five-year commitment that quickly became only a four-year term. Every year of these four years has had its challenges, whether related to the Temple or our health issues (mine)! We have worked with many other great leaders in this organization, learned something from all of them, and built on it.

At this time, I would like to give a big "Thank You" to everyone who has helped us along the way and through this journey. We could not have done any of this without everyone's support. We could not have done it without the support of our family, Nathan and Alison Ryan, Megan and Casey Flinn, all of our grandchildren, and of course Grandma Talma. We have had much support throughout this adventure. Again, Merry Christmas and a Happy New year to all of you and your families, From Lady Valerie and me.

Yours in Brotherhood,

Darrell L. Ryan
Potentate 2020

MESSAGE FROM THE CHIEF RABBAN

2020 has been a year like no other. Despite all the restrictions and closures, we have survived! Even when we could not meet in person, we got together on Zoom, which has been enjoyable for those who participated in those events. We are hoping to be able to meet regularly as time moves forward.

With all our December events canceled due to Saline County restrictions, our next get together is scheduled for January 16, when we will have the officers' election for 2021 and installation that evening. It will be an all-day event with lunch and dinner served. We hope to see as many Nobles and their ladies in attendance as possible. We will still have Covid precautions in place.

We still need to be somewhat flexible with next year's events. We may have to move the circus to April 30-May 2, which means we will have to hold the Spring Ceremonial a week earlier, hosting it in Salina. We are still planning to have a trip to the St. Louis Shriner's Hospital in August. Let's hope things get back to "normal" by then!

Lady Donna and I want to wish all of you a very Merry Christmas and a Happy and Healthy New Year!

Warm regards,

Alex Leslie
Chief Rabban

MESSAGE FROM THE ASSISTANT RABBAN

We've heard the story of how the first Isis Temple burned and was rebuilt – twice. That story illustrates the dedication and generosity to our great fraternity by our members.

Now, almost 100 years later we face a similar decision. Do we move to a new location or rebuild at our current location? That is what we must decide at the January stated meeting. Whatever the outcome, it will again take dedication and generosity to bring us to an outcome that we can support. I've heard many stories of how we came to be at our current location and I can assure you that the decision we come to at the January meeting will be made by you, the Nobility. You must be there to hear the facts, voice your opinion, and vote.

As I see it we have two major issues, the mortgage and repairs. As I've looked into the repair issues, they can be handled over several years. I don't feel that the city of Salina will bar us from the Temple as long as we come up with a plan and make some progress on it. The mortgage is an issue that the Shrine Clubs and the Nobility can solve. So far four Shrine Clubs (South Solomon, Ottawa County, Scott County, and North West Kansas Shrine Club) have donated a little over \$20,000 to the Temple. We need the other Shrine Clubs to display their generosity as did the Shriners from 100 years ago.

Please come to the meeting and be a part of the solution.

Peace be upon you!

Russ Kontas
Assistant Rabban

MESSAGE FROM THE HIGH PRIEST AND PROPHET

Dear Brothers, Sisters, Family, and Friends,

I hope this finds each of you happy, healthy, and enjoying life. Let me wish you all a Very Merry Christmas, a Happy New Year, and a Wonderful Holiday Season!

I am sure some of you are already counting down the days, if not the hours and minutes, to 2021. For others, it probably seems like just another day. I think we all can agree that 2020 has been anything but an average year. As we think back over the year, I seem to think about all the things we had to cancel. We were fortunate to have a couple of events, like the Sportsman Event and the Fall Ceremonial, but even those had few markings of an average year.

I have heard many people say they miss the gatherings or the events. I feel this is an excellent chance to look at what we have missed this year and ask what we want to keep in our lives. 2021 is going to be a year of both changes and return. We will not return to anything resembling 1999, but it is in our hands to mold 2021 and beyond.

2020 has forever touched all our lives. Many have lost friends, relatives, or family, and some have lost jobs or been forced to relocate. Others have had to take on more. In all, everyone has been affected by this year. With the lack of Shriner events, we have missed those chances to touch others' lives. I hope that as we begin to emerge into the new, we continue to resemble what Shriners are. For me, that is a chance to have fun, show others life does not have to be so serious, and give children in need the opportunity to flourish. Being a Shriner has always reminded me of being a fertilizer. Family is the soil where we are planted. Friends, teachers, and coworkers are the rain to help us grow. Memories give us the sunshine that makes us thrive, but Shriners are like fertilizer that offers that little extra that allows everyone to flourish.

May the Creator bless each of you as we open a new chapter. May 2021 bring many blessings and chances to be who we are, Shriners.

Fraternally Yours,

Brian Riedel
High Priest and Prophet

MESSAGE FROM THE ORIENTAL GUIDE

Best Wishes from North West Kansas Nobles and Ladies,

I hope everyone is staying healthy as we continue to navigate through these trying times of COVID-19. With the 2020 year nearing the finish line, there seem to be many unknowns still. One thing for sure is that we are all ready for some normalcy, in which we can gather for fellowship and fun. Please remember to reach out to our nobility and remind them about upcoming events after the first of the year. We have many important decisions to be made.

I would like to wish everyone and their families a Merry Christmas and a Happy New Year.

Please take time over the Holidays to enjoy your family and friends.

Fraternally,

Emmet Rudolph

PAY YOUR DUES ONLINE!

Pay on WebFez or at

<https://shrinetempledues.org/wfp/secure-authentication/?id=31>

You will need your Member # and Shrine ID # which is located on your Shrine membership card in the lower left-hand corner. 2021 dues have already been mailed to all Nobles by Shriner's International. Please pay your dues at your earliest convenience. These funds are what allows this Temple to continue to help the children of our 43-county jurisdiction.

RECORDERS CORNER

2020 keeps throwing us surprises and does not allow us to enjoy our Shriner fellowship. With so many cities and counties putting meeting restrictions in place, usually limiting gathering numbers to 15 or less, all official Shriner events for December have continued to be canceled. The ISIS Shrine will hold the stated meeting and elections on January 16, 2021. We will conduct the meeting in conjunction with the annual meeting and installation of elected Divan officers. I sent a letter to each Noble of the ISIS Shrine explaining this change. You can also find information about this meeting in this newsletter. I ask that you RSVP at your earliest convenience to get the number of those attending to the caterers. This day will be full of events, so please do your best to be present and enjoy this day of fun, food, and fellowship. Your presence is also needed so the Divan and the Nobility can hear your opinion about the ISIS Shrine's future.

Many Nobles have approached the Divan asking if a vote to move the Shrine will occur at this meeting. The Nobility tasked the Divan to put together plans on the future of the ISIS Shrine location, not to hold a vote to move. The Divan has developed three plans to move forward. They are staying at our current site and make repairs, move from our current location and rent/purchase a facility and stay within the city of Salina, and move from our current location and rent/purchase a facility outside the city of Salina. The Divan will present this information to the Nobility during this meeting. Then it will be the Nobilities responsibility to decide the ISIS Shrine location's future. Remember that this is your Temple, and your input on its future is essential. At this time, Illustrious Sir Darrell Ryan is not allowing anyone to join the meeting electronically. He may change his mind in the future. If this happens, he will let everyone know the guidelines to follow to enter electronically. The date, timeline, and how the meeting will occur are subject to change, so please ensure that you pay attention to our website (www.isisshriners.com) and our Facebook/Twitter/Instagram @isisshriners to receive up to date information. I ask that you remember Shriners' purpose; children receiving the best health care possible, no matter their family's ability to pay.

Shriners International issued 2021 dues, and many Nobles have already paid. Thank you to those who have already paid in full. Nobles can pay dues by sending a check to ISIS Shrine, P.O. Box 2778, Salina, KS, 67402, or you can visit our website, www.isisshriners.com, and pay online. Nobles can follow a link at the top right corner of the webpage to pay their dues. If you have questions about your dues, please feel free to contact the office by calling 785-825-0206 or email me at isisshrinerecorder@gmail.com. You can also visit WebFez to find information on the dues that you owe.

Just a reminder, operating hours for the ISIS Shrine will be changing in 2021. In January, the ISIS Shrine will open the office Tuesdays and Thursdays from 9:00 AM-5:00 PM. Starting in February, the office will be opened Tuesday through Friday from 9:00 AM-5:00 PM. These hours are subject to fluctuate, so you are encouraged to call to ensure someone is in the office or to set up an appointment at any time to conduct business meetings.

RECORDERS CORNER CONT.

2021 is going to be full of extraordinary events. You can find a listing of some of these events in the back of this newsletter. Soon, there will be more information to follow on all of these events. I hope that each of you is staying safe and healthy throughout these crazy times. The Nobles and Ladies of the ISIS Shrine are an essential part of this outstanding fraternity. Without you, we could not continue the vital work of taking care of our children the way we do. This continued help and dedication is more appreciated than I could ever explain. If you need anything from me, please contact me by calling 785-825-0206 or emailing me at isisshrinerecorder@gmail.com. As always, thank you for everything you have done, continue to do, and will continue to do for this fraternity.

Fraternally,

Casey Flinn
Recorder

CHAPLAINS CORNER

BE KIND TO ONE ANOTHER

One of the hardest things to do in life is to be kind to other people. How many times have we been cut in front of inline, talked about behind our backs, or someone just annoyed us? When we are in these situations, how should we respond?

***"And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you."* (Ephesians 4:32)**

It is easy to get even, lash out, or do something mean back to the person who did you wrong. But, as Believers, we are called to love others. This Bible verse challenges us to be kind and forgive other people regardless of how they treated us.

We can not change how someone treats us, but we can choose to respond to them with kindness. The end of our Bible verse is important. It tells us that we can do this because God in Jesus forgave us. When we remember what Jesus did for us and how much He loves us, it empowers us to love others. We begin to value other people when we see how much Jesus loves us.

MESSAGE FROM THE 1ST LADY

Hello Nobles and Ladies,

It is hard to believe that 2020 is coming to an end. Things sure look different than they did in January. The activities Darrell and I planned turned out great, but everything we had to cancel was heart-breaking. This pandemic has interrupted people's lives. Our main goal was to keep the nobility safe and healthy. I believe we were successful at that. Going through the hard times is necessary to get everyone to understand how to be better and stronger. Believe in the goodness and beauty, for it shall outweigh all else.

Darrell and I would like to thank each one of you! With your support, we took a journey that we did not realize we would love. It has been full of highs and lows. With your love, kindness, and your friendship, we have truly been humbled.

Darrell and I wish the upcoming Divan a wonderful year. This journey is different for each person. Enjoy it!! It goes by quickly.

Lastly, we would like to wish everyone a Merry Christmas and a blessed New Year. May you spend time with your family, whether in person, on zoom, or facetime. Things are different this year, but family stays a constant. Please remember you can make your world truly wonderful despite what is happening all around you!!

My sincere Thank-you!!

Valerie Ryan
2020 First Lady

SHRINER'S CREED

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name. We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.

We are patriots, each willing to serve his country with fidelity and courage.
We cherish independence under law and freedom with responsibility.

We honor family. We respect our parents, wives and children. We should install in our children the tenants of this creed, and the heritage from which it emanates.

As individuals, we pled ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.

As brothers, we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.

As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support these "temples of mercy" with spirit, time, talent and means.

SHRINERS HOSPITALS FOR CHILDREN-ST. LOUIS BOARD OF DIRECTOR REPORT

Greeting ISIS Nobles and Ladies;

Your 2020 4th Quarter Shriners Children's Hospital-St. Louis Appointed Trustee Report follows:

The following excerpt was taken from a message posted for our Hospital staff to review that expresses a universal sentiment of SCH-STL from staff, hospital leadership, and certainly many members of our Hospital Board of Governors.

"Good afternoon and Happy Thanksgiving! What are you thankful for this year! I am thankful that I get to work with some amazing people and work for a wonderful organization. It means so much to me to work at a place that makes a difference in so many lives.

Speaking of great people, did you hear the news, a staff person (name withheld) from Surgical Services was this year's DAISY Award recipient! Congratulations and well deserved. I am just sorry that we all could not be together to celebrate with you this year.
