POTENTATES MESSAGE:

Lady Jody, Miss Joselyn, and I hope everyone is doing well.

We want to thank those who took time to attend the stated meeting in March. Many good discussions were had. In addition to the circus, we have several other fundraisers this year. Vidalia onion sales are due to the office by April 14th. We have 2023 Potentate coins to purchase or sell. They are \$20 each. Contact a Divan member or the Shrine office to purchase. These coins are selling fast!

Something to think about: there are approximately 750 Nobles in the Shrine. Currently, only about 10% participate in fundraising activities. This 10% of the Nobles contribute a major portion of the revenue to keep the Shrine operational. If the 750 Nobles contributed \$50 a year to the Shrine, it would generate \$37,500 in revenue. . . all this for less than the cost of a Mickey D's burger and fries each month! This is greater than the revenue from all the fundraisers put together! Think how much it would be if we donated \$100 each. The point I'm making is if everyone would contribute just as little as they are able, it would add up to a significant amount. Think about it.

At the March meeting it was decided to have a "clean-up" day at the equipment barn. We need volunteers to help with this event. We will start at 8:00 am Saturday, April 22nd. The purpose of this mission is to organize equipment, see what items need attention, and get rid of things that aren't being utilized. If you have any questions, please contact me. After work at the barn, at 2:00pm we will head to the District Eat and Play for some much-needed food, refreshment, and fun.

RSVP and deposit (\$625 per person) for the Hospital/Branson trip is due to the office by March 31st. Final payment is due May 31st. We currently have 10 people committed to go on the trip, and we need 25 in order to go.

Here are a few upcoming events:

April 22 - Barn Clean-up Day

- Family Fun Day @ The District Eat and Play

May 5-6 - Spring Ceremonial @ Russell

June 24 - Stated Meeting @ Atwood & Shriner's Celebration

Continue to follow us on social media, Isis Shrine website, and email for the latest updates.

Together let's continue to make Shriners "The Greatest Philanthropy in the World."

Fraternally,

Trent & Lady Jody

Potentate Fundraiser

Illustrious Sir Trent McCain and the Divan will be selling the above coin for \$20.00 each. There are only 500 coins being sold. Each coin is individually numbered. At the Christmas Party, or when sold out, a drawing will take place, and if your coin number is drawn, you will win 10% of what was sold. If you would like to purchase a coin or would like some coins to sell, please contact the office to make the proper arrangements. Thank you to everyone who has purchased one so far. Hurry quick to get yours, they are going quick!!!

How Amazing Is It To Be A Shriner

While in Galveston, Texas, this February, we attended the Mardi Gras events. One was a Shriner Children's Parade in which 150 Shriners from South Texas participated, and many said it was the best parade during the event. It was a lot of fun and wearing my Shriner's hat; many Nobles saw it and waved.

I received a parking violation that I did not understand and believed I was in the right. The next thing to do was to appear in front of the Municipal County Court in Galveston County. In front of the Judge, he told me that I had to pay for parking, and I told him I did and showed him my parking log in the parking app on my phone. After studying it, he said that I had recorded my tag number wrong; it said Shriner #####, and it should have said only #####. It was my error in recording my tag number.

At that point, it dawned on me that I still had my hat on. I immediately removed it and apologized for not removing my hat. At that point, he said, "No Sir, I take my hat off to you as a Shriner, and my heart is often broken seeing the children that enter your hospitals and are fortunate enough to receive your care. I admire all the work you Shriners do! Your ticket is discharged. You are free to go, Sir." It seems every day that I get recognized by a Brother or a Noble. I also had a big hug from a mother of one of our Shrine patients during a parade. I enjoy wearing one of our fraternal caps, proud of all we are, respected by many, Noble for sure!

MESSAGE FROM THE CHIEF RABBAN

Greetings Nobles and Ladies,

Once again it's time for parade season. The first parade of the year is in the books and what a wonderful time was had by all in attendance in Rush Center for the St. Patrick's Day parade. The Fort Hays Shrine club provided excellent hospitality. Nobles traveled long distances to participate. We want to thank you for your dedication to the organization. It reminds us that it is time to clean, polish and service our parade equipment, so that we are ready for a busy and enjoyable parade season.

Make sure to mark your calendar for the fun day at the District in Salina April 22nd. It has been planned as an opportunity for nobles and their family members to get together for an enjoyable afternoon.

There are many activities planned throughout the year intended for everyone to get involved again and have Fun and Fellowship. The fun day at the District, Spring Ceremonial in Russell, Shrine Celebration in Atwood, and Shrine Bowl in Hays. We hope to see everyone attend as many of these events as possible.

Lady Karen and I look forward to spending time at these get-togethers with our Shrine family!

Fraternally Yours,

Neal Gamble & Lady Karen
Chief Rabban

MESSAGE FROM THE ASSISTANT RABBAN

Spring is in the air and the brotherhood of the Shrine is shining brighter with each and every event that we do. Although we must admit that some events are not as successful as others however we must challenge ourselves in making them work better in the future. The future will look a lot brighter if we work as a team and all put more effort into making it work!

It is of my opinion that your Divan works well as a team and to me that means listening to and respecting all of the ideas of others. I know that your Divan has been doing a lot of research in trying to make all of the events of our Temple better.

Hopefully, all nobility will remember our fraternity is based on positive attitudes!

Respectfully yours,
Carey Wilken

MESSAGE FROM THE HIGH PRIEST AND PROPHET

Greetings Shrine Family,

I'm so very happy to see how our Isis Shrine family and friends are participating and enjoying all that's going on within the Shrine. It's like a breath of fresh air to see such enthusiasm lately at our events. A large crowd gathered for the Gridiron Banquet in Russel. Thank you to everyone who jumped in and helped to make that such a great day! We also had a large gathering of Shriners having fun at the parade in Rush Center. It makes me happy to see everyone having a great time doing Shrine stuff.

Rooks County Shrine Club has agreed to donate \$1000 to the 2023 Kansas Shrine Bowl, and challenges all Isis Shrine Clubs to donate as well. Any size of donation is encouraged. If all clubs will make a donation, then Rooks County Shrine Club will increase their total donation to \$5000.

Having fun and helping kids is what we are all about. Let's keep it up Isis!

See you soon!
Greg & Shannon

RECORDER'S CORNER

Nobles and Ladies,

I LOVE BEING A SHRINER!!! Five of my favorite words to say when talking with others. The positive impact we make on children and their families daily is amazing. Thank you to you all for continuing to be part of the greatest fraternity in the world, and supporting the most superb philanthropy the world has ever seen. I hope everyone read Illustrious Sir Mark Smith's article earlier in this newsletter. If not, go back and give it a read. It is awesome.

My Lady Megan and I had the opportunity to travel to San Antonio, TX for the Recorders Seminar. This was the first time that the Recorders and Treasurers came together to hold a joint seminar, and it went very well. There were some great presentations from the many different office heads from Shriners International as well as Imperial Sir Jim Cain (Past Imperial Potentate and current Imperial Recorder) and Imperial Sir Brad Koehn (Imperial Treasurer). The topic of an increase in Per Capita will be brought before the delegation at Imperial Session in July. They want to raise it from \$30 annually to \$50 annually. If the increase passes and you are already a Per Capita life member, this will not affect you. If you are not a Per Capita lifetime member, it will. Many other great discussions were had, but none were as in-depth as stickers for dues cards. Shriners International has developed an app for all smartphones. The app is called My FezCard Viewer. There is no cost to download this app and it will put your dues card directly onto your phone. This type of card is good at any Shrine Temple as verification of your membership. Another good aspect of the virtual dues card is the money it saves the Temple in printing and postage expenses. It also automatically updates when your dues are paid and processed by the office. If you have not yet downloaded this app, please do so at your earliest convenience. If you still would prefer a sticker, please contact the office and one can be mailed to you. Be aware that in the future, there will not be stickers available to anyone, only the app.

Please pay attention to emails, social media posts, and our website. There is much information posted all the time about upcoming events. It is extremely important that you know when RSVP dates are and that you meet those dates. This helps with the planning aspect of these events.

Do not forget that onion orders are due to the office by April 14, 2023. Order forms are in this newsletter or on our website. Thank you for your continued dedication to the Isis Shrine. Without your hard work and dedication, our fraternity would not succeed, and even more important, the children would suffer. If you have any questions or concerns, please get in touch with me, and I will do my best to answer your questions. As always, I remain

Fraternally Yours,

Casey Flinn
Recorder

CHAPLAIN'S MESSAGE

GROWING GOOD CORN

There was a farmer who grew excellent quality corn. Every year he won the award for the best grown corn.

One year a newspaper reporter interviewed him and learned something interesting about how he grew it. The reporter discovered that the farmer shared his seed corn with his neighbors. "How can you afford to share your best seed corn with your neighbors when they are entering corn in competition with yours each year?" the reporter asked.

"Why sir," said the farmer, "Didn't you know? The wind picks up pollen from the ripening corn and swirls it from field to field. If my neighbors grow inferior corn, cross-pollination will steadily degrade the quality of my corn. If I am to grow good corn, I must help my neighbors grow good corn."

So is with our lives... Those who want to live meaningfully and well must help enrich the lives of others, for the value of a life is measured by the lives it touches. And those who choose to be happy must help others find happiness, for the welfare of each is bound up with the welfare of all...

And those who choose to be happy must help others find happiness, for the welfare of each is bound up with the welfare of all...

"Let the words of my mouth and the meditation of my heart Be acceptable in Your sight, O Lord, my strength and my Redeemer." Psalm 19:14

THE PHILANTHROPY

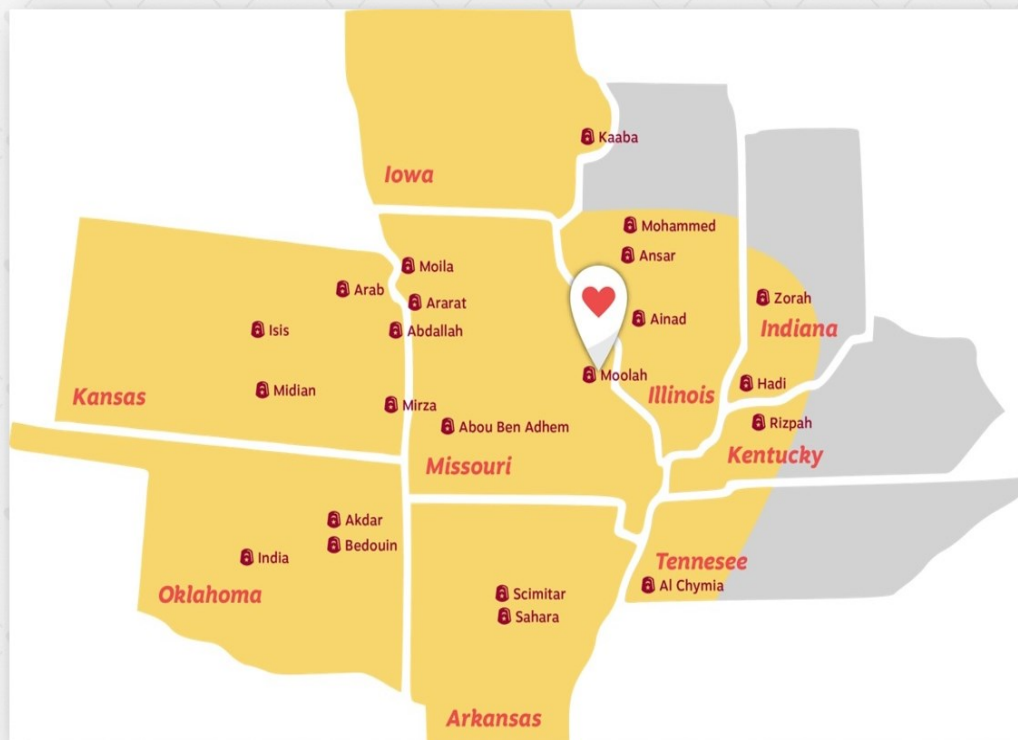

The members of the Shriners fraternity have always shared a desire to help those in need. In the late 1910s, as a polio epidemic swept across the United States, it was apparent that many children were going without appropriate care. So the Shriners established a children's hospital to meet this need.
